## NOTICE FOR RESIDENTS OF UTAH

### Notice of Protection Provided by Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - o \$500,000 in death benefits
  - o \$200,000 in cash surrender or withdrawal values
- Health Insurance
  - o \$500,000 in hospital, medical and surgical insurance benefits
  - o \$500,000 in long-term care insurance benefits
  - o \$500,000 in disability income insurance benefits
  - o \$500,000 in other types of health insurance benefits
- Annuities
  - o \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 IA, Chapter 28.

**Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.**

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at [www.utlifega.org](http://www.utlifega.org) or contact:

## DEFINITIONS (continued)

**Disabled or Disability** means that, due to Sickness or as a direct result of accidental injury:

- You are receiving Appropriate Care and Treatment and complying with the requirements of such treatment; and
- You are unable to earn:
  - during the Elimination Period and the next 24 months of Sickness or accidental injury, more than 80% of Your Predisability Earnings at Your Own Occupation from any employer in the National Economy; and
  - after such period, more than 60% of your Predisability Earnings from any employer in the National Economy at any gainful occupation for which You are reasonably qualified taking into account Your training, education and experience.

For purposes of determining whether a Disability is the direct result of an accidental injury, the Disability must have occurred within 90 days of the accidental injury and resulted from such injury independent of other causes.

If You are Disabled and have received a Monthly Benefit for 12 months, We will adjust Your Predisability Earnings only for the purposes of determining whether You continue to be Disabled and for calculating the Return to Work Incentive, if any. We will make the initial adjustment as follows:

We will add to Your Predisability Earnings an amount equal to the product of:

- Your Predisability Earnings times the lesser of:

Annually thereafter, We will add an amount to Your adjusted Predisability Earnings calculated by the method set forth above but substituting Your adjusted Predisability Earnings from the prior year for Your Predisability Earnings. **This adjustment is not a cost of living benefit.**

If Your occupation requires a license, the fact that You lose Your license for any reason will not, in itself, constitute Disability.

## **SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE**

To prevent a loss of insurance because of a change in insurance carriers, the following rules will apply if this Disability Income Insurance replaces a plan of group disability income insurance provided to You by the Policyholder:

**Prior Plan** means the plan of group disability income insurance provided to You by the Policyholder through another carrier on the day before the Replacement Date.

**Replacement Date** means the effective date of the Disability Income Insurance under the Group Policy.

### **Rules for When Insurance Takes Effect if You were Insured Under the Prior Plan on the Day Before the Replacement Date:**

- **If You are Actively at Work on the day before the Replacement Date**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date.
- **If You are not Actively at Work on such date because you are Disabled**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date.

We will credit any time You accumulated toward the Elimination Period under the Prior Plan to the satisfaction of the Elimination Period required to be met under this certificate.

Any benefits paid for such Disability will be equal to those that would have been payable to You under the Prior Plan less any amount for which the prior carrier is liable.

Benefit payments for such Disability will end on the earliest of:

- the date that payments end under the subsection DATE BENEFIT PAYMENTS END in this certificate; or
- the date that payments would have ended under the provisions of the Prior Plan of Insurance.
- **If You are not Actively at Work on such date for any other reason**, You will become insured for Disability Income Insurance under this certificate on the date you return to Active Work.

### **Rules for When Insurance Takes Effect if You were Not Insured Under the Prior Plan on the Day Before the Replacement Date:**

- You will be eligible for Disability Income Insurance under this certificate when you meet the eligibility requirements for such insurance as described in ELIGIBILITY PROVISIONS: INSURANCE FOR YOU; and
- We will credit any time You accumulated under the Prior Plan toward the eligibility waiting period under the Prior Plan to the satisfaction of the eligibility waiting period required to be met under this certificate.

### **Rules for Pre-existing Conditions**

In determining whether a Disability is due to a Pre-existing Condition, We will credit You for any time You were insured under the Prior Plan. If Your Disability is due to a Pre-existing Condition as described in this certificate, but would not have been due to a pre-existing condition under the Prior Plan, We will pay a benefit equal to the lesser of:

- the benefit amount under this certificate; or
- the disability income insurance benefit that would have been payable to You under the Prior Plan.

If Your Disability would have been due to a pre-existing condition under the Prior Plan, it will be treated as having been caused by a Pre-existing Condition under this certificate.

## **SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE (continued)**

### **Rules for Temporary Recovery from a Disability under the Prior Plan**

We will waive the Elimination Period that would otherwise apply to a Disability under this certificate if You:

- received benefits for a disability that began under the Prior Plan ("Prior Plan's disability");
- returned to work as an active Full-Time employee prior to the Replacement Date;
- become Disabled, as defined in this certificate, after the Replacement Date and within 90 days of Your return to work due to a sickness or accidental injury that is the same as or related to the Prior Plan's disability;
- are no longer entitled to benefit payments for the Prior Plan's disability since You are no longer insured under such Plan; and
- would have been entitled to benefit payments with no further elimination period under the Prior Plan, had it remained in force.

## **CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT**

### **FOR FAMILY AND MEDICAL LEAVE**

Certain leaves of absence may qualify for continuation of insurance under the Family and Medical Leave Act of 1993 (FMLA), or other legally mandated leave of absence or similar laws. Please contact the Policyholder for information regarding such legally mandated leave of absence laws.

### **AT THE POLICYHOLDER'S OPTION**

The Policyholder has elected to continue insurance by paying premiums for employees who are not Disabled and cease Active Work in an eligible class for any of the reasons specified below.

Disability Income Insurance will continue for the following periods:

1. for the period You cease Active Work in an eligible class due to injury or sickness, up to 3 months;
2. for the period You cease Active Work in an eligible class due to any other Policyholder approved leave of absence, up to 1 month.

For purposes of this provision, leave of absence does not include a furlough.

At the end of any of the continuation periods listed above, Your insurance will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be insured under the Group Policy;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the DATE YOUR INSURANCE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOU.

## **EVIDENCE OF INSURABILITY**

We require evidence of insurability satisfactory to Us as follows:

1. if You make a late request for Disability Income Insurance: Long Term Benefits – Buy Up Plan. A late request is one made after You were first eligible to enroll for Disability Income Insurance: Long Term Benefits and You did not enroll for such insurance during such period.

If You do not give Us evidence of insurability or the evidence of insurability is not accepted by Us as satisfactory, You will not be covered for Disability Income Insurance: Long Term Benefits– Buy Up Plan.

The evidence of insurability is to be given at Your expense.

## **DISABILITY INCOME INSURANCE: LONG TERM BENEFITS**

If You become Disabled while insured, Proof of Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Monthly Benefit up to the Maximum Benefit Period shown in the SCHEDULE OF BENEFITS, subject to the DATE BENEFIT PAYMENTS END section.

To verify that You continue to be Disabled without interruption after Our initial approval, We may periodically request that You send Us Proof that You continue to be Disabled. Such Proof may include physical exams, exams by independent medical examiners, in-home interviews or functional capacity exams, as needed.

While You are Disabled, the Monthly Benefit described in this certificate will not be affected if:

- Your insurance ends as described in the ELIGIBILITY PROVISIONS: INSURANCE FOR YOU, Date Your Insurance Ends subsection; or
- the Group Policy is amended to change the plan of benefits for Your class.

### **BENEFIT PAYMENT**

If We approve Your claim, benefits will begin to accrue on the day after the day You complete Your Elimination Period. We will pay the first Monthly Benefit one month after the date benefits begin to accrue. We will make subsequent payments monthly thereafter so long as You remain Disabled. Payment will be based on the number of days You are Disabled during each month and will be pro-rated for any partial month of Disability.

We will pay Monthly Benefits to You. If You die, We will pay the amount of any due and unpaid benefits as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

While You are receiving Monthly Benefits, You will not be required to pay premiums for the cost of any disability income insurance defined as Contributory Insurance.

### **RECOVERY FROM A DISABILITY**

If You return to Active Work, We will consider You to have recovered from Your Disability.

The provisions of this subsection will not apply if Your insurance has ended and You are eligible for coverage under another group long term disability plan.

#### **If You Return to Active Work Before Completing Your Elimination Period**

If You return to Active Work before completing Your Elimination Period for a period of 90 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. We will count those days towards the completion of Your Elimination Period.

If You return to Active Work for a period of more than 90 days, and then become Disabled again, You will have to complete a new Elimination Period.

For purposes of this provision, the term Active Work only includes those days You actually work.

## **DISABILITY INCOME INSURANCE: LONG TERM BENEFITS (continued)**

### **If You Return to Active Work After Completing Your Elimination Period**

If You return to Active Work after completing Your Elimination Period for a period of 180 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. For the purpose of determining Your benefits, We will consider such Disability to be a part of the original Disability and will use the same Predisability Earnings and apply the same terms, provisions and conditions that were used for the original Disability.

If You return to Active Work for a period of more than 180 days and then become Disabled again, You will have to complete a new Elimination Period.

For purposes of this provision, the term Active Work includes all of the continuous days which follow Your return to work for which You are not Disabled.

## **REHABILITATION INCENTIVES**

### **Rehabilitation Program Incentive**

If You participate in a Rehabilitation Program, We will increase Your Monthly Benefit by an amount equal to 10% of the Monthly Benefit. We will do so before We reduce Your Monthly Benefit by any other income.

### **Work Incentive**

While You are Disabled, We encourage You to work. If You work while You are Disabled and receiving Monthly Benefits, Your Monthly Benefit will be adjusted as follows:

- Your Monthly Benefit will be increased by Your Rehabilitation Program Incentive, if any; and
- reduced by Other Income as defined in the DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT section.

Your Monthly Benefit as adjusted above will not be reduced by the amount You earn from working, except to the extent that such adjusted Monthly Benefit plus the amount You earn from working and the income You receive from Other Income exceeds 100% of Your Predisability Earnings as calculated in the definition of Disability.

For the purpose of this provision, “the amount You earn from working” refers only to the earnings You receive from employment with the Policyholder, or with another employer, if such employment begins after the date Your Disability began.

In addition, the Minimum Monthly Benefit will not apply.

We will start to do this with the first Disability benefit payment under this certificate coincident with the date You were eligible to receive such government compulsory benefit plan or program benefit or STRS, PERS or FERS benefits under any such plan or programs.

If You do receive approval or a notice of final denial of Your claim for such benefits, You must notify Us immediately. We will adjust the amount of Your Disability benefit. You must promptly repay Us for any overpayment.

- the amount of the single sum payment;
- the amount to be attributed to income replacement; and
- the time period for which the payment applies.

When We receive such Proof, We will adjust the amount of Your Disability benefit.

Your Disability benefit may be reduced by a prorated amount equal to the single sum payment divided by the time period for which it is paid. If You are unable to report for Active Work due to a Sickness or accidental injury, and You think that You may be Disabled, You should contact MetLife or Your benefits representative to initiate a claim. ## **GENERAL PROVISIONS**

### **Assignment**

The rights and benefits under the Group Policy are not assignable prior to a claim for benefits, except as required by law. We are not responsible for the validity of an assignment.

### **Disability Income Benefit Payments: Who We Will Pay**

We will make any benefit payments during Your lifetime to You or Your legal representative as Beneficiary. Any payment made in good faith will discharge Us from liability to the extent of such payment.

Upon Your death, We will pay any amount that is or becomes due to Your designated Beneficiary. If there is no Beneficiary designated or no surviving designated Beneficiary at Your death, We may determine the Beneficiary for any amount that is or becomes due, according to the following order:

1. Your Spouse or Civil Union Partner, if alive;
2. Your child(ren), if there is no surviving Spouse or Civil Union Partner;
3. Your parent(s), if there is no surviving child(ren);
4. Your sibling(s), if there is no surviving parent(s);
5. Your estate, if there is no such surviving sibling(s).

If more than one person is eligible to receive payment, We will divide the benefit amount in equal shares.

Payment to a minor or incompetent will be made to such person's guardian. The term "children" or "child" includes natural and adopted children.

Any periodic payments owed to Your estate may be paid in a single sum.

### **Entire Contract**

Your insurance is provided under a contract of group insurance with the Policyholder. The entire contract with the Policyholder is made up of the following:

1. the Group Policy and its Exhibits, which include the certificate(s);
2. the Policyholder's application, attached to the Group Policy; and
3. any amendments and/or endorsements to the Group Policy.

### **Incontestability: Statements Made by You**

Any statement made by You will be considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the following requirements are met:

1. the statement is in a Written application or enrollment form;
2. You have Signed the application or enrollment form; and
3. a copy of the application or enrollment form has been given to You or Your Beneficiary.

We will not use Your statements which relate to insurability to contest Disability Insurance after it has been in force for 2 years during Your life, unless the statement is fraudulent. In addition, We will not use such statements to contest an increase or benefit addition to such insurance after the increase or benefit has been in force for 2 years during Your life, unless the statement is fraudulent.

### **Misstatement of Age**

If Your age is misstated, the correct age will be used to determine if insurance is in effect and, as appropriate, We will adjust the benefits and/or premiums.

## **GENERAL PROVISIONS (continued)**

### **Conformity with Law**

If the terms and provisions of this certificate do not conform to any applicable law, this certificate shall be interpreted to so conform.

### **Physical Exams**

If a claim is submitted for insurance benefits, We have the right to ask the insured to be examined by a Physician(s) of Our choice as often as is reasonably necessary to process the claim. We will pay the cost of such exam.

### **Overpayments for Disability Income Insurance**

#### **Recovery of Overpayments**

We have the right to recover any amount that We determine to be an overpayment.

An overpayment occurs if We determine that:

- the total amount paid by Us on Your claim is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

#### **How We Recover Overpayments**

We may recover the overpayment from You by:

- stopping or reducing any future Disability benefits, including the Minimum Benefit, payable to You or any other payee under the Disability sections of this certificate;
- demanding an immediate refund of the overpayment from You; and
- taking legal action.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- any person to or for whom payment was made.

### **Lien and Repayment**

If You become Disabled and You receive Disability benefits under this certificate and You receive payment from a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate (for example, a judgment, settlement, payment from Federal Social Security or payment pursuant to Workers' Compensation laws), You shall reimburse Us from the proceeds of such payment up to an amount equal to the benefits paid to You under this certificate for such Disability. Our right to receive reimbursement from any such proceeds shall be a claim or lien against such proceeds and Our right shall provide Us with a first priority claim or lien over any such proceeds up to the full amount of the benefits paid to You under this certificate for such Disability. You agree to take all action necessary to enable Us to exercise Our rights under this provision, including, without limitation:

You shall cooperate and You shall cause Your legal representative to cooperate with Us in any recovery efforts and You shall not interfere with Our rights under this provision. Our rights under this provision apply whether or not You have been or will be fully compensated by a third party for any Disability for which You received or are entitled to receive benefits under this certificate.

## **SPECIAL SERVICES**

### **Return To Work Program**

#### **Goal of Rehabilitation**

The goal of MetLife is to focus on employees' abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what employees can do versus what they can't, we can assist you in returning to work sooner than expected.

#### **Incentives For Returning To Work**

Your Disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again.

#### **Return-to-Work Services**

As a covered employee you are automatically eligible to participate in our Return-to-Work Program. The program aims to identify the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities. There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

##### **1. Vocational Analyses**

Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your employer.

##### **2. Labor Market Surveys**

Studies to find jobs available in your locale that would utilize your abilities and skills. Also identify one's earning potential for a specific occupation.

##### **3. Retraining Programs**

Programs to facilitate return to your previous job, or to train you for a new job.

##### **4. Job Modifications/Accommodations**

Analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities.

This also includes changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your employer under the Americans With Disabilities Act (ADA).

##### **5. Job Seeking Skills and Job Placement Assistance**

Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

#### **Return-to-Work Program Staff**

The Case Manager handling your claim will coordinate return-to-work services. You may be referred to a clinical specialist, such as a Nurse Consultant, Psychiatric Clinical Specialist, or Vocational Rehabilitation Consultant, who has advanced training and education to help people with disabilities return to work. One of our clinical specialists will work with you directly, as well as with local support services and resources. They have returned hundreds of individuals to meaningful, gainful employment.

## **SPECIAL SERVICES**

### **Rehabilitation Vendor Specialists**

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. attending physician's evaluation and recommendations;
2. your individual vocational needs; and
3. vendor's credentials, specialty, reputation and experience.

When working with vendors, we continue to collaborate with you and your doctor to develop an appropriate return-to-work plan.

### **Social Security Assistance Program**

If your claim for Disability benefits under this plan is approved, MetLife provides you with assistance in applying for Social Security disability benefits. Before outlining the details of this assistance, you should understand why applying for Social Security disability benefits is important.

### **Why You Should Apply For Social Security Disability Benefits**

Both you and your employer contribute payroll taxes to Social Security. A portion of those tax dollars are used to finance Social Security's program of disability protection. Since your tax dollars help fund this program, it is in your best interest to apply for any benefits to which you may be entitled. Your spouse and children may also be eligible to receive Social Security disability benefits due to your Disability. There are several reasons why it may be to your financial advantage to receive Social Security disability benefits. Some of them are:

#### **1. Avoids Reduced Retirement Benefits**

Should you become disabled and approved for Social Security disability benefits, Social Security will freeze your earnings record as of the date Social Security determines that your disability has begun. This means that the months/years that you are unable to work because of your disability will not be counted against you in figuring your average earnings for retirement and survivors benefit.

#### **2. Medicare Protection**

Once you have received 24 months of Social Security disability benefits, you will have Medicare protection for hospital expenses. You will also be eligible to apply for the medical insurance portion of Medicare.

#### **3. Trial Work Period**

Social Security provides a trial work period for the rehabilitation efforts of disabled workers who return to work while still disabled. Full benefit checks can continue for up to 9 months during the trial work period.

#### **4. Cost-of-Living Increases Awarded by Social Security Will Not Reduce Your Disability Benefits**

MetLife will not decrease your Disability benefit by the periodic cost-of-living increases awarded by Social Security. This is also true for any cost-of-living increases awarded by Social Security to your spouse and children.

This is called a Social Security "freeze." It means that only the Social Security benefit awarded to you and your dependents will be used by MetLife to reduce your Disability benefit; with the following exceptions:

- a) an error by Social Security in computing the initial amount;
- b) a change in dependent status; or
- c) your Employer submitting updated earnings records to Social Security for earnings received prior to your Disability.

## **SPECIAL SERVICES**

Over a period of years, the net effect of these cost-of-living increases can be substantial.

### **How MetLife Assists You in the Social Security Approval Process**

As soon as you are approved for Disability benefits, MetLife begins assisting you with the Social Security approval process.

#### **1. Assistance Throughout the Application Process**

MetLife has a dedicated team of Social Security Specialists. These Specialists, many of whom have worked for the Social Security Administration, are also located within our Claim Department. They provide expert assistance up front, offer support while you are completing the Social Security forms, and help guide you through the application process.

#### **2. Guidance Through Appeal Process by Social Security Specialists**

Social Security disability benefits may be initially denied, but are often approved following an appeal. If your benefits are denied, our dedicated team of Social Security Specialists provides expert assistance on an appeal if your situation warrants continuing the appeal process. They guide you through each stage of the appeal process. These stages may include:

- a) Reconsideration by the Social Security Administration
- b) Hearing before an Administrative Law Judge
- c) Review by an Appeals Council established within the Social Security Administration in Washington, D.C.
- d) A civil suit in Federal Court.

#### **3. Social Security Attorneys**

Depending on your individual needs, MetLife may provide a referral to an attorney who specializes in Social Security law. The Social Security approved attorney's fee is credited to the Long Term Disability overpayment, which results upon your receipt of the retroactive Social Security benefits. The attorney's fee, which is capped by Social Security law, will be deducted from the lump sum Social Security Disability benefits award and will not be used to further reduce your Long Term Disability benefit.

### **Premium Deduction Service**

As a service to you while you are disabled, MetLife will assist you by reducing the administrative burden of deducting premium payments for insurance coverage(s), other than your disability income insurance with MetLife (Other Coverage), that are part of your policyholder's insurance program for you.

We will do this by deducting from either your weekly or monthly benefit, as applicable, payable to you under the disability income insurance plan that your policyholder has with MetLife, the required premium amounts for Other Coverage for which you were enrolled under your policyholder's insurance plan immediately prior to the start of your disability. Your policyholder will notify MetLife of the amount of your required premium payments that MetLife is to deduct for such Other Coverage. MetLife will then pay this amount to your policyholder to be applied toward the premium payments required for such Other Coverage when due, subject to the following terms and conditions:

The amount of premium we deduct from your disability income benefit and then pay to your policyholder, may be:

- Increased, if there are increases in the amount of premium due for Other Coverage(s) that you are enrolled in, and, your policyholder notifies us of such increases;
- Reduced or terminated upon a request from you or your policyholder; or,
- Terminated by MetLife upon the earliest of:

## **SPECIAL SERVICES**

- 30 days advanced notice to you;
- your return to work;
- notification to us of the termination of your employment; or,
- your disability income benefits end date.

In no event will any payment be made to your policyholder under the above described service, if the amount of either the weekly or monthly benefit, as applicable, payable to you under the MetLife disability income insurance plan is less than the amount of the applicable premium payroll deductions.

Your Employer will be solely responsible for remitting the amount of premium payments for Other Coverage(s) received from MetLife to the appropriate party or parties.

If while you are Disabled, You do not want MetLife to deduct the premium for Other Coverage as described above, you must notify MetLife of your intention. When we receive your notice, we will stop making premium deductions for Other Coverage(s).

### **Early Intervention Program**

The MetLife Early Intervention Program is offered to all covered employees, and your participation is voluntary\*. The program helps identify early those employees who might benefit from vocational analyses and rehabilitation services before they are eligible for Long Term Disability benefits. Early rehabilitation efforts are more likely to reduce the length of your Long Term Disability and help you return to work sooner than expected.

If you cannot work, or can only work part-time due to a disability, your employer will notify MetLife. Our Clinical Specialists may be able to assist you by:

1. Reviewing and evaluating your disabling condition, even before a claim for Long Term Disability benefits is submitted (with your consent);
2. Designing individualized return to work plans that focus on your abilities, with the goal of return to work;
3. Identifying local community resources;
4. Coordinating services with other benefit providers, including: medical carrier, short term disability carrier,\* workers' compensation carrier, and state disability plans;
5. Monitoring return to work plans in progress and modifying them as recommended by the attending physician (with your consent).
6. Providing analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities. This program also includes modifications to help you perform your job or a similar job as required of your employer under the Americans with Disabilities Act (ADA). It also includes an on-site ergonomic evaluation of work conditions to assist you in returning to work. If MetLife agrees that job modifications are likely to help you remain at work or return to work we may also agree (with your consent) to reimburse your employer for the cost of such modifications up to an amount agreed to between MetLife and your employer.

Our assistance is offered at no cost to either you or your employer.

\* If you also have MetLife Short Term Disability coverage or Salary Continuance Plan Management, these services are provided automatically. Notification by your employer is not necessary.

### **Disability Benefits Claims**

#### **Routine Questions**

If there is any question about a claim payment, an explanation may be requested from the Employer who is usually able to provide the necessary information.

#### **Claim Submission**

For claims for disability benefits, the claimant must report the claim to MetLife and, if requested, complete the appropriate claim form. The claimant must also submit the required proof as described in the "Filing A Claim" section of the certificate.

Claim forms requested by MetLife must be submitted in accordance with the instructions on the claim form.

#### **Initial Determination**

After you submit a claim for disability benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a reasonable period, not to exceed 45 days from the date you submitted your claim; except for situations requiring an extension of time because of matters beyond the control of the Plan, in which case MetLife may have up to two (2) additional extensions of 30 days each to provide you such notification. If MetLife needs an extension, it will notify you prior to the expiration of the initial 45 day period (or prior to the expiration of the first 30 day extension period if a second 30 day extension period is needed), state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the extension notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criteria was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.

### **Appealing the Initial Determination**

If MetLife denies your claim, you may appeal the decision. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- An explanation why you are appealing the initial determination

As part of your appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination, MetLife will conduct a full and fair review of your claim. Deference will not be given to the initial denial, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within a reasonable period of time, but no later than 45 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 45 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 45 day period, state the reason(s) why such an extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information, the time period from MetLife's notice to you of the need for an extension to when MetLife receives the requested information does not count toward the time MetLife is allowed to notify you of its final decision. You will have 45 days to provide the requested information from the date you receive the notice from MetLife.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criteria was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

## **Discretionary Authority of Plan Administrator and Other Plan Fiduciaries**

In carrying out their respective responsibilities under the Plan, the Plan Administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

## **STATEMENT OF ERISA RIGHTS**

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

### **Receive Information About Your Plan and Benefits**

Examine, without charge, at the Plan Administrator's office and at other specified locations, all Plan documents, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

### **Prudent Actions by Plan Fiduciaries**

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit Plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

### **Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in a Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

### **Assistance with Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

### **FUTURE OF THE PLAN**

It is hoped that This Plan will be continued indefinitely, but MERIDIAN HEALTH reserves the right to change or terminate the Plan in the future. Any such action would be taken only after careful consideration.

The Board of Directors of MERIDIAN HEALTH shall be empowered to amend or terminate the Plan or any benefit under the Plan at any time.
