6) LIMITATIONS

Benefit Reduction Due to Age

A benefit payable with respect a Covered Person will be reduced as described in the table below, based on the Covered Person's Attained Age.

Attained Age means the Covered Person's age:

- on the date of an Accident, for all benefits that become payable because of the Accident; and
- on the date of hospital confinement, for all benefits that become payable under the Sickness – Hospital Benefits provisions.

Attained Age	Reduction Amount
65 to 69	Any benefit payable will be reduced by 25% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 65 to 69. For example, a \$100 benefit, as listed in the Schedule, will be paid at \$75 if the Covered Person's Attained Age is 67.
70 or older	Any benefit payable will be reduced by 50% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 70 or older. For example, a \$100 benefit, as listed on the Schedule, will be paid at \$50 if the Covered Person's Attained Age is 72.

The Benefit Reduction Due to Age does not apply to benefits payable for the Health Screening Benefit.

Preexisting Condition Limitation (Only Applicable to Sickness – Hospital Benefits)

We will not pay any benefits under the Sickness – Hospital Benefits section of the Certificate for Sickness caused by or resulting from a Covered Person's Preexisting Condition if the Sickness occurs during the first 12 months that the Covered Person is insured under the Certificate.

Preexisting Condition means a Sickness for which, in the 12 months before a Covered Person becomes insured under the Certificate:

If The Covered Person Is Confined in a Hospital For Both Injury And Sickness

If a Covered Person is confined in a hospital for both an Injury and Sickness at the same time, We will only pay benefits under the Accident – Hospital Benefits provisions the Certificate, and not the Sickness – Hospital Benefits provisions. In this case, if the Covered Person exhausts the Accident – Hospital Benefits and remains confined in a hospital for treatment of a Sickness, the Covered Person may still be eligible for the Sickness – Hospital Confinement Benefit.

Attained Age	Reduction Amount
65 to 69	Any benefit payable will be reduced by 25% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 65 to 69. For example, a \$100 benefit, as listed in the Schedule, will be paid at \$75 if the Covered Person's Attained Age is 67.

6) LIMITATIONS

Benefit Reduction Due to Age

A benefit payable with respect a Covered Person will be reduced as described in the table below, based on the Covered Person's Attained Age.

Attained Age means the Covered Person's age:

- on the date of an Accident, for all benefits that become payable because of the Accident; and
- on the date of hospital confinement, for all benefits that become payable under the Sickness – Hospital Benefits provisions.

Attained Age	Reduction Amount
65 to 69	Any benefit payable will be reduced by 25% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 65 to 69. For example, a \$100 benefit, as listed in the Schedule, will be paid at \$75 if the Covered Person's Attained Age is 67.
70 or older	Any benefit payable will be reduced by 50% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 70 or older. For example, a \$100 benefit, as listed on the Schedule, will be paid at \$50 if the Covered Person's Attained Age is 72.

The Benefit Reduction Due to Age does not apply to benefits payable for the Health Screening Benefit.

Preexisting Condition Limitation (Only Applicable to Sickness – Hospital Benefits)

We will not pay any benefits under the Sickness – Hospital Benefits section of the Certificate for Sickness caused by or resulting from a Covered Person's Preexisting Condition if the Sickness occurs during the first 12 months that the Covered Person is insured under the Certificate.

Preexisting Condition means a Sickness for which, in the 6 months before a Covered Person becomes insured under the Certificate, medical advice, treatment or care was sought by the Covered Person, or, was recommended by, prescribed by or received from a physician.

If The Covered Person Is Confined in a Hospital For Both Injury And Sickness

If a Covered Person is confined in a hospital for both an Injury and Sickness at the same time, We will only pay benefits under the Accident – Hospital Benefits provisions the Certificate, and not the Sickness – Hospital Benefits provisions. In this case, if the Covered Person exhausts the Accident – Hospital Benefits and remains confined in a hospital for treatment of a Sickness, the Covered Person may still be eligible for the Sickness – Hospital Confinement Benefit.

6) LIMITATIONS

Benefit Reduction Due to Age

A benefit payable with respect a Covered Person will be reduced as described in the table below, based on the Covered Person's Attained Age.

Attained Age means the Covered Person's age:

- on the date of an Accident, for all benefits that become payable because of the Accident; and
- on the date of hospital confinement, for all benefits that become payable under the Sickness – Hospital Benefits provisions.

Attained Age	Reduction Amount
65 to 69	Any benefit payable will be reduced by 25% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 65 to 69. For example, a \$100 benefit, as listed in the Schedule, will be paid at \$75 if the Covered Person's Attained Age is 67.
70 or older	Any benefit payable will be reduced by 50% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 70 or older. For example, a \$100 benefit, as listed on the Schedule, will be paid at \$50 if the Covered Person's Attained Age is 72.

The Benefit Reduction Due to Age does not apply to benefits payable for the Health Screening Benefit.

Preexisting Condition Limitation (Only Applicable to Sickness – Hospital Benefits)

We will not pay any benefits under the Sickness – Hospital Benefits section of the Certificate for Sickness caused by or resulting from a Covered Person's Preexisting Condition if the Sickness occurs during the first 12 months that the Covered Person is insured under the Certificate.

Preexisting Condition means a Sickness for which, in the 12 months before a Covered Person becomes insured under the Certificate:

If The Covered Person Is Confined in a Hospital For Both Injury And Sickness

If a Covered Person is confined in a hospital for both an Injury and Sickness at the same time, We will only pay benefits under the Accident – Hospital Benefits provisions the Certificate, and not the Sickness – Hospital Benefits provisions. In this case, if the Covered Person exhausts the Accident – Hospital Benefits and remains confined in a hospital for treatment of a Sickness, the Covered Person may still be eligible for the Sickness – Hospital Confinement Benefit.

65 to 69	Any benefit payable will be reduced by 25% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 65 to 69. For example, a \$100 benefit, as listed in the Schedule, will be paid at \$75 if the Covered Person's Attained Age is 67.

The Benefit Reduction Due to Age does not apply to benefits payable for the Health Screening Benefit.

Preexisting Condition Limitation (Only Applicable to Sickness – Hospital Benefits)

We will not pay any benefits under the Sickness – Hospital Benefits section of the Certificate for Sickness caused by or resulting from a Covered Person's Preexisting Condition if the Sickness occurs during the first 12 months that the Covered Person is insured under the Certificate.

Preexisting Condition means a Sickness for which, in the 12 months before a Covered Person becomes insured under the Certificate:

If a Covered Person is confined in a hospital for both an Injury and Sickness at the same time, We will only pay benefits under the Accident – Hospital Benefits provisions the Certificate, and not the Sickness – Hospital Benefits provisions. In this case, if the Covered Person exhausts the Accident – Hospital Benefits and remains confined in a hospital for treatment of a Sickness, the Covered Person may still be eligible for the Sickness – Hospital Confinement Benefit.

6) LIMITATIONS

Benefit Reduction Due to Age

A benefit payable with respect a Covered Person will be reduced as described in the table below, based on the Covered Person's Attained Age.

Attained Age means the Covered Person's age:

- on the date of an Accident, for all benefits that become payable because of the Accident; and
- on the date of hospital confinement, for all benefits that become payable under the Sickness – Hospital Benefits provisions.

Attained Age	Reduction Amount
65 to 69	Any benefit payable will be reduced by 25% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 65 to 69. For example, a \$100 benefit, as listed in the Schedule, will be paid at \$75 if the Covered Person's Attained Age is 67.

Preexisting Condition Limitation (Only Applicable to Sickness – Hospital Benefits)

We will not pay any benefits under the Sickness – Hospital Benefits section of the Certificate for Sickness caused by or resulting from a Covered Person's Preexisting Condition if the Sickness occurs during the first 12 months that the Covered Person is insured under the Certificate.

6) LIMITATIONS

Benefit Reduction Due to Age

A benefit payable with respect a Covered Person will be reduced as described in the table below, based on the Covered Person's Attained Age.

Attained Age means the Covered Person's age:

- on the date of an Accident, for all benefits that become payable because of the Accident; and
- on the date of hospital confinement, for all benefits that become payable under the Sickness – Hospital Benefits provisions.

The Benefit Reduction Due to Age does not apply to benefits payable for the Health Screening Benefit.

Attained Age	Reduction Amount
65 to 69	Any benefit payable will be reduced by 25% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 65 to 69. For example, a \$100 benefit, as listed in the Schedule, will be paid at \$75 if the Covered Person's Attained Age is 67.
70 or older	Any benefit payable will be reduced by 50% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 70 or older. For example, a \$100 benefit, as listed on the Schedule, will be paid at \$50 if the Covered Person's Attained Age is 72.

The Benefit Reduction Due to Age does not apply to benefits payable for the Health Screening Benefit.

Preexisting Condition Limitation (Only Applicable to Sickness – Hospital Benefits)

We will not pay any benefits under the Sickness – Hospital Benefits section of the Certificate for Sickness caused by or resulting from a Covered Person's Preexisting Condition if the Sickness occurs during the first 12 months that the Covered Person is insured under the Certificate. However, a Preexisting Condition does not include any Sickness for which there is no evidence that the Sickness actually existed before coverage for the Covered Person becomes effective. This preexisting condition limitation does not apply to a child adopted by You or placed with You for adoption after Your coverage becomes effective.

Preexisting Condition means a Sickness for which, in the 12 months before a Covered Person becomes insured under the Certificate:

- medical advice, treatment or care was sought by the Covered Person, or, was recommended by, prescribed by or received from a physician; or
- the Covered Person had symptoms, or any medical or physical conditions that would cause an ordinarily prudent person to seek diagnosis, care or treatment.

If The Covered Person Is Confined in a Hospital For Both Injury And Sickness

If a Covered Person is confined in a hospital for both an Injury and Sickness at the same time, We will only pay benefits under the Accident – Hospital Benefits provisions the Certificate, and not the Sickness – Hospital Benefits provisions. In this case, if the Covered Person exhausts the Accident – Hospital Benefits and remains confined in a hospital for treatment of a Sickness, the Covered Person may still be eligible for the Sickness – Hospital Confinement Benefit.

- on the date of an Accident, for all benefits that become payable because of the Accident; and
- on the date of hospital confinement, for all benefits that become payable under the Sickness – Hospital Benefits provisions.

Attained Age	Reduction Amount
65 to 69	Any benefit payable will be reduced by 25% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 65 to 69. For example, a \$100 benefit, as listed in the Schedule, will be paid at \$75 if the Covered Person's Attained Age is 67.

6) LIMITATIONS

Benefit Reduction Due to Age

A benefit payable with respect a Covered Person will be reduced as described in the table below, based on the Covered Person's Attained Age.

Attained Age means the Covered Person's age:

- on the date of an Accident, for all benefits that become payable because of the Accident; and
- on the date of hospital confinement, for all benefits that become payable under the Sickness – Hospital Benefits provisions.

Attained Age	Reduction Amount
65 to 69	Any benefit payable will be reduced by 25% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 65 to 69. For example, a \$100 benefit, as listed in the Schedule, will be paid at \$75 if the Covered Person's Attained Age is 67.
70 or older	Any benefit payable will be reduced by 50% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 70 or older. For example, a \$100 benefit, as listed on the Schedule, will be paid at \$50 if the Covered Person's Attained Age is 72.

The Benefit Reduction Due to Age does not apply to benefits payable for the Health Screening Benefit.

Preexisting Condition Limitation (Only Applicable to Sickness – Hospital Benefits)

We will not pay any benefits under the Sickness – Hospital Benefits section of the Certificate for Sickness caused by or resulting from a Covered Person's Preexisting Condition if the Sickness occurs during the first 6 months that the Covered Person is insured under the Certificate.

Preexisting Condition means a Sickness for which, in the 6 months before a Covered Person becomes insured under the Certificate:

If The Covered Person Is Confined in a Hospital For Both Injury And Sickness

If a Covered Person is confined in a hospital for both an Injury and Sickness at the same time, We will only pay benefits under the Accident – Hospital Benefits provisions the Certificate, and not the Sickness – Hospital Benefits provisions. In this case, if the Covered Person exhausts the Accident – Hospital Benefits and remains confined in a hospital for treatment of a Sickness, the Covered Person may still be eligible for the Sickness – Hospital Confinement Benefit.

Preexisting Condition Limitation (Only Applicable to Sickness – Hospital Benefits)

We will not pay any benefits under the Sickness – Hospital Benefits section of the Certificate for Sickness caused by or resulting from a Covered Person's Preexisting Condition if the Sickness occurs during the first 12 months that the Covered Person is insured under the Certificate.

Preexisting Condition means a Sickness for which, in the 12 months before a Covered Person becomes insured under the Certificate:

- the Covered Person had symptoms, or any medical or physical conditions that would cause an ordinarily prudent person to seek diagnosis, care or treatment.

If The Covered Person Is Confined in a Hospital For Both Injury And Sickness

If a Covered Person is confined in a hospital for both an Injury and Sickness at the same time, We will only pay benefits under the Accident – Hospital Benefits provisions the Certificate, and not the Sickness – Hospital Benefits provisions. In this case, if the Covered Person exhausts the Accident – Hospital Benefits and remains confined in a hospital for treatment of a Sickness, the Covered Person may still be eligible for the Sickness – Hospital Confinement Benefit.

6) LIMITATIONS

Benefit Reduction Due to Age

A benefit payable with respect to a Covered Person will be reduced as described in the table below, based on the Covered Person's Attained Age.

Attained Age means the Covered Person's age:

- on the date of an Accident, for all benefits that become payable because of the Accident; and
- on the date of hospital confinement, for all benefits that become payable under the Sickness – Hospital Benefits provisions.

Attained Age	Reduction Amount
65 to 69	Any benefit payable will be reduced by 25% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 65 to 69. For example, a \$100 benefit, as listed in the Schedule, will be paid at \$75 if the Covered Person's Attained Age is 67.

6) LIMITATIONS

Benefit Reduction Due to Age

A benefit payable with respect a Covered Person will be reduced as described in the table below, based on the Covered Person's Attained Age.

Attained Age means the Covered Person's age:

- on the date of an Accident, for all benefits that become payable because of the Accident; and
- on the date of hospital confinement, for all benefits that become payable under the Sickness – Hospital Benefits provisions.

Attained Age	Reduction Amount
65 to 69	Any benefit payable will be reduced by 25% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 65 to 69. For example, a \$100 benefit, as listed in the Schedule, will be paid at \$75 if the Covered Person's Attained Age is 67.
70 or older	Any benefit payable will be reduced by 50% of the amount listed for that benefit in the Schedule if the Covered Person's Attained Age is 70 or older. For example, a \$100 benefit, as listed on the Schedule, will be paid at \$50 if the Covered Person's Attained Age is 72.

The Benefit Reduction Due to Age does not apply to benefits payable for the Health Screening Benefit.

Preexisting Condition Limitation (Only Applicable to Sickness – Hospital Benefits)

We will not pay any benefits under the Sickness – Hospital Benefits section of the Certificate for Sickness caused by or resulting from a Covered Person's Preexisting Condition if the Sickness occurs during the first 12 months that the Covered Person is insured under the Certificate.

Preexisting Condition means a Sickness for which, in the 12 months before a Covered Person becomes insured under the Certificate:

- medical advice, treatment or care was sought by the Covered Person, or, was recommended by, prescribed by or received from a physician; or
- the Covered Person had symptoms, or any medical or physical conditions that would cause an ordinarily prudent person to seek diagnosis, care or treatment.

If The Covered Person Is Confined in a Hospital For Both Injury And Sickness

If a Covered Person is confined in a hospital for both an Injury and Sickness at the same time, We will only pay benefits under the Accident – Hospital Benefits provisions the Certificate, and not the Sickness – Hospital Benefits provisions. In this case, if the Covered Person exhausts the Accident – Hospital Benefits and remains confined in a hospital for treatment of a Sickness, the Covered Person may still be eligible for the Sickness – Hospital Confinement Benefit.
