Paying for vision care

Copayment

You'll pay a fixed amount each time you have an eye exam or purchase eyeglasses or contact lenses.

Allowances

You'll have a specific amount of money that can be used to help you pay for frames and contact lenses.

For more **COVERAGE DETAILS**, see your official vision plan documents.

Benefits that help you save time and money

You can count on us to help make your experience easier. We'll give you tools and support to help you save time, save money and find care when and where you need it.

Choose from local and national providers.¹

Here are just some of the well-known retail locations in our network:

Ways to Save²:

- ✓ Online ordering for contact lenses
- ✓ Discounts on lens options like Progressives
- ✓ Extra eyewear and more

What's covered by my plan?

Eye Exam

Your eye doctor will complete a case history and an exam for eye and vision problems.

Frame³ Benefit

When you visit a network provider, your plan gives you money you can use for your frames.

Additional Pairs of Glasses⁴

You get a 20% discount on additional pairs of eyeglasses, including prescription sunglasses.

Contact Lens Benefit

You get contact lenses, a fitting and up to two follow-up visits. Selection varies, but some brands are fully covered (after copay).

Lens⁴ Upgrades

If not covered by your plan, popular lens options are available for up to 40% off.

As a member, you'll also have access to:

Discounted Laser Vision Correction

Get discounts through the Laser Vision Network of America's nationwide network at uhclasik.com.

Access to Discounts on Contact Lenses

If you have a contact lens prescription, you can order online for 10% off at uhcontacts.com.

Preferred Pricing on Hearing Aids

You can buy high-quality, digital hearing aids at discounted prices, starting at \$699 each through hi HealthInnovations™ at hihealthinnovations.com.

¹ Not all providers participate in all plans. Check with your provider before using your benefits.

² Access to discounts at participating providers only.

³ Frame discounts do not apply when prohibited by frame manufacturer.

⁴ Check with your provider. May not apply at some locations.

Do you work on a computer all day?

Many people who work long hours in front of a computer screen have symptoms of computer vision syndrome. It is caused by uncorrected vision problems that can only be found through a comprehensive vision exam.

Symptoms include:

- ✓ Dry, itchy or burning eyes
- ✓ Blurred vision up close (or in the distance after long periods of near work)
- ✓ Eye strain
- ✓ Headaches
- ✓ Aching of the neck and shoulders

Manage your plan online and on the go.

- ✓ Schedule your eye exam.
- ✓ Find a Vision Network Provider.
- ✓ Print your Vision ID card.
