#### Get rewarded for your claim-free driving.

Our unique Deductible Savings Benefit rewards you for driving safely. For every year you drive without filing a claim, you could earn \$50 toward your deductible—for up to five years. That's a savings of up to \$250 just for being a safe driver. Available in most states.

#### You won't take a loss on a totaled car.

Some insurers pay the replacement cost for your car but deduct for depreciation. With MetLife Auto & Home, if you've owned your new vehicle for a year or less (or have driven it for 15,000 miles or less, whichever comes first) and it got totaled in an accident, we'd cover the replacement or repairs, with no deduction for depreciation.<sup>3,4</sup>
