Part of being a great place to work means providing a great benefit program with a variety of choices for you and your family. We have exciting announcements that we'd like to share with you as we get ready for this year's Benefits Open Enrollment period for the 2017 plan year, starting **Monday, October 31 through Friday, November 18, 2016:**

- Effective January 1, 2017, it's great to be ONE! **The Inner Circle Networks for Hackensack University Medical Center, Meridian Health, Raritan Bay Medical Center and Palisades Medical Center will merge into one convenient Inner Circle Network.** This means a broader health network and more flexible options for you and your covered dependents.
- **There will be no changes to the rates (payroll deductions) for our medical, dental and vision plans for 2017. All (Legacy Meridian Health) medical, dental and vision plan designs, deductibles and co-pays remain unchanged.**
- **TeamMeridian Teladoc will continue in 2017 with a \$0 co-pay.**

This bulletin provides an overview of the 2017 benefit highlights, including new ways to complete your enrollment.

With such great benefit options for you and your family, it's a great time to be Hackensack Meridian Health!

Yours truly,

Sherrie String,
Executive Vice President,
Chief Human Resources Officer

2017 Enrollment Highlights

Expanded Inner Circle Network – The Inner Circle Network for Hackensack University Medical Center, Meridian Health, Raritan Bay Medical Center and Palisades Medical Center will merge into one convenient Inner Circle Network in 2017. You will continue to enjoy the same Inner Circle benefit at the Tier 1 level, but with a growing number of physicians and hospital-based services. So when you need health care for you and your family, you'll find more options, greater flexibility and easier access.

Benefit Rate Update – Legacy Meridian Health is committed to shouldering the major portion of the cost of health benefits for full time and eligible part time team members. For 2017, there will be no changes to the rates (payroll deductions) for our medical, dental and vision plans. The 2017 Benefit Rate information will be available on the new benefits web site, which can be accessed through **Flexible Benefits at TeamMeridian.com**.

TeamMeridian Teladoc Resource – Our telehealth option (the delivery of health-related services and information via telecommunications) will continue through 2017 with a \$0 copay. This gives you free medical consultations with board-certified physicians for non-urgent medical issues via phone, web or mobile app.

Benefits Web Site – We are introducing a new benefits web site where you will be able to learn about the benefit options available to you, view plan details and get instructions on how to enroll. You can access this web site from **Flexible Benefits at TeamMeridian.com**.

New Voluntary Benefit Offerings – We are excited to offer you enhanced voluntary benefit options, including accident, critical illness, short term disability and permanent life insurance. In addition, we are adding hospital indemnity insurance and Cancer insurance. This benefit complements your health plan to help you pay for the high costs associated with a hospital stay.

Ways to Enroll – You can enroll one of three ways during Open Enrollment:

- **On-Site Benefits Counselors** – One-on-one interaction with a Benefits Counselor, who can help you make the best benefit choices for you and your family.
- **Benefits Enrollment Call Center** – Speak with a Benefits Counselor over the phone. Convenient hours are available, including Saturdays.
- **Online Enrollment** (Benefits Self-Service) – Available 24/7 during the enrollment period. Enroll anytime, anywhere.

Welcome to Your Benefits!

Your benefits are important. Please take the time to make sure they meet the needs of you and your family, now and in the future.

Benefits Open Enrollment is your annual opportunity to:

- Discuss and enroll in benefit plans for you and your eligible dependents
- Learn about new benefits and payroll deductions
- Review and update your personal, dependent and beneficiary data. It is especially important that you verify the Social Security numbers for your dependents so we are in compliance with ACA regulations. Please note: where applicable, Coordination of Benefits (COB) will apply. This is the process by which a health insurance company determines if it should be the primary or secondary payer of medical claims for a patient who has coverage from more than one health insurance policy.
- Take advantage of voluntary benefit offerings, including new options
- Enroll/re-enroll in Health Care and/or Dependent Care Flexible Spending Accounts (**must be done annually**)

You will have three options for completing enrollment this year. Look on the last page for more details!

Scan the code to the right for important enrollment information and other materials on the new benefits web site that can be accessed at TeamMeridian.com, **Flexible Benefits**.

Want to Save on Your Health Care Costs?

• Take Advantage of Flexible Spending Accounts (FSA)

Flexible Spending Accounts (FSA) are a great way to set aside pre-tax dollars for certain eligible out-of-pocket health care or dependent care expenses, while reducing your income taxes at the same time. Legacy Meridian Health offers two types of FSAs – a Health Care FSA and a Dependent FSA. **You must actively re-enroll in the FSAs each year – you are not automatically enrolled each year.** You can contribute up to \$2,550 to a Health Care Account and up to \$5,000 to a Dependent Care Account. You **do not need** to be covered by a Legacy Meridian Health medical plan to participate in the Health Care FSA.

• Use Meridian Ambulatory Pharmacy

Meridian Ambulatory Pharmacy offers you low co-pays and convenient drop-off/pick-up sites throughout Legacy Meridian Health, as well as great customer service. More to come about the opening of a Raritan Bay Medical Center on-site location.
