

# DELTA DENTAL PPO<sup>SM</sup>:

## Your smile is covered

### Go PPO

Visit a PPO<sup>1</sup> dentist to maximize your savings.<sup>2</sup> These dentists have agreed to reduced fees, and you won't get charged more than your expected share of the bill.<sup>3</sup> Find a PPO dentist at [deltadentalins.com](http://deltadentalins.com).<sup>4</sup>

### Access online services

Get information about your plan anytime, anywhere by signing up for an Online Services account at [deltadentalins.com](http://deltadentalins.com). This free service lets you check benefits and eligibility information, find a network dentist and more.

### Check in with ease

You don't need a Delta Dental ID card when you visit the dentist. Just provide your name, birth date and enrollee ID or social security number. If your family

members are covered under your plan, they will need your name, birth date and enrollee or social security number. Prefer to take a paper or electronic ID card with you? Simply sign in to Online Services, where you can view or print your card with the click of a button. If you're covered under two plans, ask your dental office to include information about both plans with your claim, and we'll handle the rest.

### Understand transition of care

Did you start on a dental treatment plan before your PPO coverage kicked in? Multi-stage procedures are only covered under your current plan if treatment began after your plan's effective date of coverage.<sup>5</sup> You can find this date by logging in to Online Services.

**Newly covered?** Visit [deltadentalins.com/welcome](http://deltadentalins.com/welcome).
