|--|--|---|
| <b>What is the overall deductible?</b>                         | For in-network providers <b>\$1,500</b> person / <b>\$3,000</b> person in a family / <b>\$3,000</b> family<br>For out-of-network providers <b>\$3,000</b> person / <b>\$6,000</b> person in a family / <b>\$6,000</b> family<br>Deductible per person applies when the employee is the only person covered under the plan.<br>Does not apply to in-network preventive care & immunizations<br>Amount your employer contributes to your account: Up to <b>\$250</b> person / <b>\$500</b> family. | You must pay all the costs up to the <b>deductible</b> amount before this plan begins to pay for covered services you use. Check your policy or plan document to see when the <b>deductible</b> starts over (usually, but not always, January 1st). See the chart starting on page 2 for how much you pay for covered services after you meet the <b>deductible</b> .   |
| <b>Are there other deductibles for specific services?</b>      | No.  | You must pay all of the costs for these services up to the specific <b>deductible</b> amount before this plan begins to pay for these services.   |
| <b>Is there an out-of-pocket limit on my expenses?</b>         | Yes. For in-network providers <b>\$3,200</b> person / <b>\$6,400</b> person in a family / <b>\$6,400</b> family<br>For out-of-network providers <b>\$6,400</b> person / <b>\$12,800</b> person in a family / <b>\$12,800</b> family  | The <b>out-of-pocket limit</b> is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses.  |
| <b>What is not included in the out-of-pocket limit?</b>        | Premium, balance-billed charges, penalties for no pre-authorization, and health care this plan doesn't cover.  | Even though you pay these expenses, they don't count toward the <b>out-of-pocket limit</b> .  |
| <b>Is there an overall annual limit on what the plan pays?</b> | No.  | The chart starting on page 2 describes any limits on what the plan will pay for <i>specific</i> covered services, such as office visits.  |
| <b>Does this plan use a network of providers?</b>              | Yes. For a list of participating providers, see <a href="http://www.myCigna.com">www.myCigna.com</a> or call 1-855-281-1206  | If you use an in-network doctor or other health care <b>provider</b> , this plan will pay some or all of the costs of covered services. Be aware, your in-network doctor or hospital may use an out-of-network <b>provider</b> for some services. Plans use the term in-network, <b>preferred</b> , or participating for <b>providers</b> in their <b>network</b> . See the chart starting on page 2 for how this plan pays different kinds of <b>providers</b> . |
| <b>Do I need a referral to see a specialist?</b>               | No. You don't need a referral to see a specialist.   | You can see the <b>specialist</b> you choose without permission from this plan.   |

| Important Questions                         | Answers | Why this Matters:  |
|---|---------|--|
| Are there services this plan doesn't cover? | Yes.    | Some of the services this plan doesn't cover are listed on page 5. See your policy or plan document for additional information about <b><u>excluded services</u></b> . |

- **Co-payments** are fixed dollar amounts (for example, \$15) you pay for covered health care, usually when you receive the service.
- **Co-insurance** is *your* share of the costs of a covered service, calculated as a percent of the **allowed amount** of the service. For example, if the health plan's **allowed amount** for an overnight hospital stay is \$1,000, your **co-insurance** payment of 20% would be \$200. This may change if you haven't met your **deductible**.
- The amount the plan pays for covered services is based on the **allowed amount**. If an out-of-network **provider** charges more than the **allowed amount**, you may have to pay the difference. For example, if an out-of-network hospital charge is \$1,500 for an overnight stay and the **allowed amount** is \$1,000, you may have to pay the \$500 difference. (This is called **balance billing**.)
- This plan may encourage you to use in-network **providers** by charging you lower **deductibles**, **co-payments** and **co-insurance** amounts.
